I had a wonderful experience with this company! Not only did they help me out in a jam, my cleaner Jackie did a great job, was very professional, and went out of her way to help me. I also really like you get to choose the services you get instead of it being a blanket price for services you may not even need. I highly recommend this company and was beyond impressed with their work.

These girls did an AMAZING job! I'm so pleased with the service, and it is well worth the very reasonable cost! 😊 Linda got me scheduled IMMEDIATELY and adjusted my cleaning date when I had an unforeseen conflict. She is quick to answer phone calls and texts, and the whole process was just so easy. I am just thrilled with the punctuality and quality of the workers 🙏 thank you Zumma Clean!
